Course Overview: This course is designed to expose participants to the basic concepts and principles in Small Business Management. It explores the roles that small businesses play in the development of a country's economy, while examining how the business functions are carried out. This course also equips participants with the skills and the attitude needed to set up and manage a small business successfully.

Who should take this course?

- Aspiring and current entrepreneurs and small business owners.
- Anyone seeking to improve their understanding of small business management.
